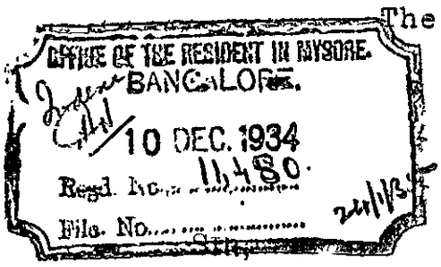
From

L. J. MAC IVER, ESQ., I.C.S.,
President, Municipal Commission,
Civil and Military station, BANGALORE.

To



The Secretary to the Hon'ble the Resident in Mysore,

BANGALORE.

I have the honour to forward, herewith, a copy of the Commission's resolution No.2, passed at their special meeting held on the 29th November 1934, reducing, under the provisions of Section 45 of the Bangalore Municipal Law, the octroi duty levied on Beedi Tobacco used for manufacturing beedies in the Station to Bangalore City level, viz. 8 annas per maund, and approving of the following changes in Notification No.T.686, dated the 11th November 1925 (copy enclosed) in order to give effect to the resolution:-

> Omission of the words "or powder" in sub-item (f) of item No.1 in the aforesaid Notification and addition of the following as sub-item '(i)':-
>
> "Beedi Tobacco used for manufacturing Beedies in the Station.) At annas eight per) maund of 24 pounds".

I would, therefore, request that the Hon'ble the Resident may be pleased to confirm the resolution as required by Section 45 of the Bangalore Municipal Law, to come into force with effect from the 1st April 1935.

2. The proposed reduction of duty will remove a real grievance of the local beedi manufacturer, who has to sell his beedies at a higher rate than the manufacturer of the City, on account of the existing disparity in Octroi rates.

3. The loss to the Municipal Commission will be negligible and is likely to be made up by importation of larger
